This ordinance is exempt from review under the California Environmental Quality Act (Public Resources Code §§ 21000, et seq., “CEQA”) and the regulations promulgated thereunder (14 California Code of Regulations §§ 15000, et seq., the “CEQA Guidelines”) because it constitutes an organizational or administrative activity of the City that will not result in direct or indirect physical changes in the environment. Accordingly, it is not a “project” that has the potential to cause significant physical effects on the environment and is not subject to CEQA pursuant to CEQA Guidelines §§ 15061 and 15378

6-D. SECOND RESPONSE ORDINANCE

It is recommended that the City Council consider:

CONDITION ASSESSMENT SERVICES – AWARD OF CONTRACT**

- (3) Authorizing the City Manager, or designee, to execute an agreement with National Plant Services, Inc., in a form approved by the City Attorney; and
- (4) Take such additional, related, action that may be desirable.

CEQA (California Environmental Quality Act):

Taking the recommended action would not result in a potential for resulting in a direct or reasonably indirect physical change in the environment and, accordingly, does not qualify as a “project” under the California Environmental Quality Act (Cal. Pub. Res. Code §§ 21000, *et seq.*; “CEQA”) or CEQA regulations (Cal. Code Regs. tit. 14, §§ 15000, *et seq.*; see Cal. Code Regs. tit. 14, §§ 15061(b)(3), 15378). Even if the award of contract were to qualify as a project, it would be categorically exempt as a Class 1 or Class 5 project since, at best, it would constitute a minor alteration of existing public structures involving no expansion of use; or a minor alteration in land use limitations (see Cal. Code Regs. tit. 14, §§ 15301, 15305).

Staff Report

*The Successor Agency to the Former
Monterey Park Redevelopment Agency*

DATE: March 2, 2016

AGENDA ITEM NO: (SA) New Business
Agenda Item 2-C.

TO: Mayor Chan and the Monterey Park City Council acting on behalf of the Successor Agency to the former Redevelopment Agency

FROM: Donna M. Ramirez, Economic Development Specialist

SUBJECT: A request that the Successor Agency to the former Redevelopment Agency (“Successor Agency”) enter into a Purchase and Sale Agreement (“PSA”) by and between Selina Luong and Hau Xuan Luong (“Buyers”) for the purchase of real property addressed at 540 West Garvey Avenue (“Site”); APN 5257-005-904-905.

RECOMMENDATION:

It is recommended that the City Council acting on behalf of the Successor Agency to the former Redevelopment Agency consider:

1. Adopting a resolution authorizing the City Manager to execute all agreements and related documents, in a form approved by the City Attorney, needed to convey real property at 540 W. Garvey Avenue;
2. Forward this matter to the Oversight Board for confirmation; and
3. Take such additional, related action that may be desirable.

EXECUTIVE SUMMARY:

On August 15, 2013 the Oversight Board approved a Long Range Property Management Plan (LRPMP) that was subsequently approved by the California Department of Finance on December 24, 2013. The only remaining unsold property of the former Redevelopment Agency detailed in the LRPMP at this time is the vacant commercial parcel located at 540 West Garvey Avenue.

As a component of the winding down of the former Redevelopment Agency activities, the SA is required to liquidate all real property assets. Staff was directed to market the property located at 540 W. Garvey Avenue for sale on the open market. Subsequent to marketing the property on Loop Net and posting the property for sale, staff only received one viable offer.

SA – Purchase and Sale Agreement – 540 W. Garvey Avenue

March 2, 2016

Page 2 of 3

The City Council, acting on behalf of the Successor Agency, directed staff to retain the services of a commercial real estate broker to assist in the marketing and sale of the property. On December 16, 2015, the City Council awarded a professional service agreement to BP International, Inc. Staff has maintained the one existing offer as a viable option for consideration by the Successor Agency.

BP International, Inc., conducted extensive marketing of the property and presented two viable offers for consideration by the Successor Agency. In total, there are three offers.

DISCUSSION:

BP International, Inc. received two solid purchase offers for the property at 540 W. Garvey Avenue. After receiving the offers, BP's commercial broker requested counter offers at which time one of the buyers slightly increased its offer. Staff also contacted the first interested buyer and it have also increased the purchase price. The final offers received are as follows:

- Selina Luong and Hau Xuan Luong increased their offer to \$1,830,000
- VHD did not counter and held the purchase price at \$1,800,000
- Pacific Plaza Investment, LLC, the first interested buyer, increased its offer to \$1,800,000

Of the three offers received, Selina Luong and Hau Xuan Luong offered the highest purchase price of \$1,830,000. This is a cash offer with an initial deposit amount of \$55,000 to be held in escrow within three (3) business days of acceptance of this offer and execution of the Affirmation Agreement attached as Exhibit "A" to the Counter Offer (Attachment "1").

The terms of this offer are as follows:

- The sales price for the property is \$1,830,000;
- Within three (3) business days of acceptance of the Counter-Offer by Buyers and Sellers execution of the Affirmation Agreement, Buyers will deposit \$55,000 into escrow;
- A 60 day escrow after acceptance of the Counter Offer; and
- Buyer will deliver to escrow, on or before 5 p.m. on the third day of final acceptance of the Counter Offer, proof of committed funds.

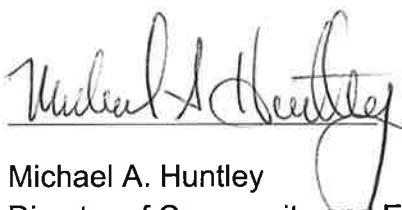

Should the Successor Agency accept the offer, staff will present the offer to the Oversight Board for its confirmation and then to the State Department of Finance for final review.

FISCAL IMPACT:

The City will receive approximately 16% of the net sale proceeds (approximately \$288,000); the remaining balance will be disbursed to various taxing entities.

Buyer may, not later than the end of that period, give Seller written notice of Buyer's election to withdraw from this Agreement because of Buyer's inability to complete or dissatisfaction with the results of any of those matters ("Notice of Cancellation"), in which event Buyer's and Seller's obligations under this Agreement shall be terminated and Buyer shall receive a full refund of Buyer's deposit. If Buyer fails to give such Notice of Cancellation as within such period, all such contingencies shall be automatically removed and Buyer's obligation to proceed shall be non-contingent except as provided herein for Buyer's review of a preliminary report and underlying documents respecting the title to the Property (as set forth in Paragraph 2).

Seller shall provide to Buyer Seller documentation and additional disclosure within seven (7) business days after acceptance of this Counter Offer; such documentation and disclosure are the following:

7. 13. WRITTEN AFFIRMATION OF SELLER REQUIRED: Buyer understands that Seller may continue to receive and respond to other offers on the Property and may be making several Counter-Offers concurrently containing the same or different terms. This Counter-Offer shall not be binding until accepted by Buyer and executed by Buyer and Seller on the signature page below; and then approved by Seller, in Seller's sole discretion, in the form of the Seller's Affirmation of Agreement attached hereto as Exhibit "A" which, if so executed by Seller, will constitute Seller's agreement that Seller will sell the Property to Buyer and the terms and conditions of this Agreement. Buyer further acknowledges that it would be imprudent and unrealistic to rely upon the expectation of entering into a binding agreement regarding the subject matter of this Counter-Offer prior to receipt of Seller's Affirmation of Agreement, and further represents to Seller that any efforts to complete due diligence, to negotiate or obtain financing, or to perform any of the obligations provided herein shall not be considered as evidence of binding intent without Seller's Affirmation of Agreement, and understands that BUYER'S ACCEPTANCE HEREOF SHALL HAVE NO FORCE OR EFFECT PRIOR TO BUYER'S RECEIPT OF SUCH AFFIRMATION OF AGREEMENT SIGNED BY SELLER.

14. ATTORNEYS' FEES. In the event that either party hereto brings an action or other proceeding to enforce or interpret the terms and provisions of this Agreement, the prevailing party in that action or proceeding shall be entitled to have and recover from the non-prevailing party all such fees, costs and expenses (including, without limitation, all court costs and reasonable attorneys' fees) as the prevailing party may suffer or incur in the pursuit or defense of such action or proceeding. Draft Resolution

RESOLUTION NO.

**A RESOLUTION AUTHORIZING THE CITY MANAGER TO
CONVEY REAL PROPERTY ON BEHALF OF THE
MONTEREY PARK SUCCESSOR AGENCY IN
ACCORDANCE WITH APPLICABLE LAW.**

The City Council, acting on behalf of the Successor Agency to the Monterey Park Redevelopment Agency ("Successor Agency"), does resolve as follows:

SECTION 1: *Authorizations.* The City Manager, or designee, is authorized to take all reasonable actions needed to implement the purpose of this Resolution including, without limitation, executing documents approved as to form by the City Attorney to convey real property located at **540 West Garvey Avenue (APN 5257-005-904,905)** (the "Property").

SECTION 2: The Property is listed on the Long Range Property Management Plan ("LRPMP") approved by the California Department of Finance on December 24, 2013 as "Site 2" with an estimated value of \$1,345,000. Accordingly, it may be conveyed by the SA in accordance with the LRPMP and applicable law including, without limitation, AB 1484 (June 27, 2012) and SB 107 (September 22, 2015).

SECTION 3: *Environmental Assessment.* Adopting this Resolution is exempt from further environmental review pursuant to the California Environmental Quality Act (Public Resources Code §§ 21000, et seq., "CEQA") and the regulations promulgated thereunder (14 Cal. Code of Regulations §§15000, et seq., the "CEQA Guidelines"). Specifically, the proposed conveyance is exempt from CEQA requirements pursuant to CEQA Guidelines § 15312. The SA proposes to sell the Property; the Property is not located in an area of concern; the Property does not have significant value for wildlife habitat or other environmental purpose; and the use of the Property and adjacent property has not changed since the time the SA acquired the Property. Accordingly, this action conforms with a Class 12 categorical exemption under CEQA.

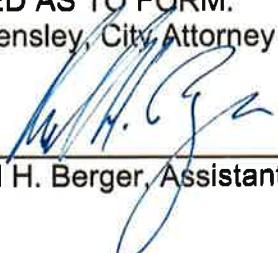

SECTION 4: This Resolution will become effective immediately upon adoption and remain effective unless superseded by a subsequent resolution.

City Council Staff Report

DATE: March 2, 2016

AGENDA ITEM NO: **Public Hearing**
Agenda Item 4-A.

TO: Honorable Mayor and Members of the City Council
FROM: Michael A. Huntley, Community and Economic Development Director
SUBJECT: Annual Weed Abatement Protest Hearing (Public Hearing)

RECOMMENDATION:

It is recommended that the City Council consider:

- 1) Open public hearing, receive public comment, close the public hearing;
- 2) Any complaints received from parcel owners will be referred to L.A. County for follow-up and City staff will monitor the status of any complaints; and
- 3) Take such additional, related action that may be desirable.

EXECUTIVE SUMMARY:

The County of Los Angeles Department of Agriculture Commissioner and Weights and Measures submitted the annual Weed Abatement Declaration List and resolution to the City declaring that weeds, brush, rubbish, refuse, and dirt maintained on certain private properties in the City, are a public nuisance. At the regular Council meeting on February 3, 2016, the Council adopted Resolution No.11819 approving the Weed Abatement Declaration List as posted by the County. By adopting the resolution, the Council declared its intention to provide for the abatement of said public nuisances. To complete the process, the Council must hold a protest hearing to allow parcel owners whose parcels are included on the Declaration List an opportunity to challenge their parcels inclusion on the Weed Abatement Declaration List.

DISCUSSION:

The County listed 1440 improved and unimproved parcels in the declaration list for this year. This is a increase of 6 parcels from the City list last year. The County mailed notices before February 1, 2016 to the recorded owner of each parcel included in the list declaring that their parcel is an existing, future or "potential" hazard. The County advised that its considers a parcel a future or "potential" hazard if the parcel is not completely landscaped or irrigated and there is a potential for weed growth. The Los Angeles County Board of Supervisors established an inspection fee of \$41.17, which will be assessed against all declared properties whether or not they are cleared by the property owners. This decrease in the inspection fee is due to an decrease in the County's cost to run the program and a increase in the number of parcels inspected

county wide. Over the last five years the fees have been as follows: 2015-\$41.77; 2014-\$42.32; 2013-\$39.81; 2012-\$42.44; and 2011-\$45.43.

Parcel owners who received notices from the County will be able to challenge their parcels inclusion on the list by attending the protest hearing. Parcel owners will be able to request Council to remove their parcels from the list if they feel that their parcel is not in violation or that the County erred by including the parcel in the list.

The County advised staff that if parcel owners want their parcel to be removed from the declaration list, the County will conduct a re-inspection of the parcel to determine if, in fact, the parcel is not in violation or a potential hazard, or that an error has been made. Upon completion of the re-inspection of the parcel, the County will advise the City of its findings.

When a parcel is re-inspected and found not to be in violation or a potential hazard, the County will put the parcel on a deletion list and a removal list. The deletion list will waive the \$41.17 inspection fee and remove the property from the Declaration List. Neither of these actions requires Council approval.

The County advised the City that April 1, 2016 is the last day that the City can request or the County can authorize removal of a parcel from the Declaration List. If City Council elects to remove a parcel from the Declaration List and that parcel becomes a nuisance at a later date, the City will have to place that parcel on an individual Declaration List and will have to hold an individual protest hearing for each parcel.

The following is a schedule of the Weed Abatement process.

- March 2, 2016 - Protest hearing date.
- March 16, 2016 - County needs response cards returned to them by no later than this date.
- March 31, 2016 - County will begin clearing weeds on vacant disable parcels.
- April 1, 2016 - Before this date, the City can request or the County can authorize removal of a property from the Declaration List. The \$41.17 inspection fee will not be charged if a property is removed from the list.
- May 15, 2016 - Deadline for all improved parcels to attain compliance.

FISCAL IMPACT:

The City of Monterey Park has contracted with the County of Los Angeles since 1992 for weed abatement services. No fiscal impacts are anticipated to affect actual

expenditures or revenues. Furthermore, no redirection of available staff time, supplies or services will be required.

AGENDA ITEM NO: **New Business
Agenda Item 6-C.**

TO: Honorable Mayor and Members of the City Council
FROM: Michael A. Huntley, Community and Economic Development Director
SUBJECT: Annual Weed Abatement Declaration List

RECOMMENDATION:

It is recommended that the City Council consider:

1. Approving the Weed Abatement Declaration List,
2. Adopting the attached Resolution, and
3. Taking such additional, related, action that may be desirable.

EXECUTIVE SUMMARY:

The County of Los Angeles Department of Agriculture Commissioner and Weights and Measures Weed Abatement Division submitted to the City of Monterey Park the annual Weed Abatement Declaration List and Resolution to be approved and adopted by the City Council on February 3, 2016. This action declares a list of parcels to be potentially hazardous to fire and thereby deemed public nuisances.

DISCUSSION:

The County has listed 1440 improved and unimproved parcels on the Weed Abatement Declaration List ("List") for this year. This is an increase of 6 parcels from last year. The increased number of parcels is due to the County performing a comprehensive inspection of parcels in Monterey Park. The County mailed notices on or about February 3, 2016 to the recorded owner of each parcel included on the List declaring that their parcel is an existing, future or "potential" hazard. The County's representatives advise that they consider a parcel a future or "potential" hazard if the parcel is not completely landscaped or irrigated and there is a potential for weed growth. The Los Angeles County Board of Supervisors established an inspection fee of \$41.17, a decrease from last year's fee by \$0.60, which will be assessed against all declared properties whether or not they are cleared by the property owners. Over the last five years the fees have been as follows: 2015-\$41.77; 2014-\$42.32; 2013-\$39.81; 2012-\$42.44; 2011-\$45.43,

Parcel owners who received notices from the County will be able to challenge their inclusion on the list. Parcel owners will be able to request Council to remove their

Staff Report

parcels from the list if they feel that their parcel is not in violation or that the County has erred by including their parcel on the list.

The County advised the City that if parcel owners want their parcel to be removed from the declaration list, the County will conduct a re-inspection of the parcel to determine if, in fact, the parcel is not in violation or a potential hazard, or that an error has been made. Upon completion of the re-inspection of the parcel, the County will advise the City of its findings.

The County also advised the City that this year's declaration list includes re-declared parcels that are not landscaped and irrigated and the addition of new parcels due to complaints being turned in by residents, new inspections, and field surveys by County inspectors.

Since its inception in 1992, the County Weed Abatement program has resulted in a reduction of fire calls for service for vegetation-related fires.

The following is a time line of the weed abatement process.

| | |
|------------------|--|
| February 3, 2016 | Declaration List Resolution adoption date |
| March 2, 2016 | Public hearing - Protest hearing |
| March 16, 2016 | County needs response cards returned to them by no later than this date. |
| March 31, 2016 | Before this date, the City can request or the County can authorize removal of a property from the Declaration List. The \$41.17 inspection fee will not be charged if a property is removed from the list. |
| April 01, 2016 | County will begin clearing weeds on vacant disable parcels. |
| May 15, 2016 | Deadline for all improved parcels to attain compliance. Deadlines will be sent to all improved parcel owners who respond. |

The City of Monterey Park has been contracting with the County of Los Angeles since 1992 for weed abatement services. The abatement fee charged by the County covers the cost of abatement and there is no cost to the City.

City Council Staff Report

DATE: March 2, 2016

AGENDA ITEM NO: **Unfinished Business**
Agenda Item 5-A.

TO: Honorable Mayor and Members of the City Council

FROM: Michael Huntley, Director of Community and Economic Development

SUBJECT: Second Reading and Adoption: An Ordinance amending specific sections of Title 21 (zoning regulations) of the Monterey Park Municipal Code.

RECOMMENDATION:

It is recommended that the City Council:

- (1) Waive the second reading and adopt the proposed ordinance; and
- (2) Take such additional, related, action that may be desirable.

CEQA:

This ordinance does not have the potential to cause significant effects on the environment and is therefore exempt from further environmental review under the California Environmental Quality Act (Public Resources Code §§ 21000, et seq., "CEQA") and CEQA Guidelines (14 California Code of Regulations §§ 15000, et seq.) because the ordinance being recommended by the resolution constitutes only minor revisions and clarifications to existing regulations and specification of procedures related thereto; and consists of actions taken to assure the maintenance, protection and enhancement of the environment. The resolution and ordinance, therefore, do not have the potential to cause significant effects on the environment. Consequently, they are categorically exempt from further CEQA review under 14 California Code Regulations §§ 15301, 15305, and 15308.

SUMMARY:

The first reading and public hearing occurred on February 17, 2016. At the City Council meeting, minor edits to draft ordinance were requested by the Council. Those edits have been made to the draft ordinance and it is now ready for second reading and adoption by the City Council.

Draft Ordinance

ORDINANCE NO. _____

AN ORDINANCE AMENDING THE MONTEREY PARK MUNICIPAL CODE ("MPMC") AFFECTING REGULATIONS GOVERNING THE RESIDENTIAL, COMMERCIAL, OFFICE PROFESSIONAL, OFF-STREET PARKING AND PROCEDURAL REQUIREMENTS FOR LAND USE.

The City Council of the City of Monterey Park does ordain as follows:

SECTION 1: Findings. The City Council finds and declares as follows:

- A. The City's ability to exercise its powers in accordance with Article XI, § 7 of the California Constitution to regulate land use is well-established. This ordinance is intended to regulate aesthetics, traffic, parking, public peace, and other, similar, matters related to public health, safety, and welfare;
- B. An ongoing review of the Monterey Park Municipal Code ("MPMC") demonstrates that amendments are needed to bring the City's land use regulations into conformance with the City Council's intent as expressed during the comprehensive zoning update in 2013;
- C. Adopting this Ordinance is in the public interest because it is designed to protect public health and safety while also promoting public welfare;
- D. The Planning Commission adopted Resolution No. 02-16 recommending the City Council amend specific sections of Title 21 (zoning regulations) of the Monterey Park Municipal Code;
- E. This Ordinance promotes public health, safety, and general welfare and serves the goals and purposes of the MPMC; and
- F. This Ordinance and its findings are made based upon the entire administrative record including, without limitation, testimony and evidence presented to the City Council at its February 17, 2016 public hearing including, without limitation, the staff report submitted by the Community and Economic Development Department.

SECTION 2: MPMC § 21.08.040(H) is amended to read as follows:

"(H) Portable Canopy. In all residential zones, subject to the following limitations:

- (1) ~~A limit of one portable canopy is permitted per residential unit. There is no limit on the number of portable canopies permitted on a residential zoned property, except that any and all canopies must comply with the maximum square footage specified below.~~

(2) A portable canopy is allowed only adjacent to the side or at the rear of a residential unit. A portable canopy cannot be closer than twenty-five (25) feet from the front property line, fifteen (15) feet from a street-side property line and five feet from the rear property line. A portable canopy cannot encroach into any required front or side setback area and must maintain a minimum distance of five feet from any building or structure, including eave projection. Placement of a portable canopy is subject to City Planner review and approval. A site plan and elevation plan shall be submitted for zoning approval.

(3) A portable canopy must be constructed with a durable material, such as, without limitation, a canvas or vinyl material, which is securely anchored in place and properly maintained to present a neat and orderly appearance. The canopy is required to be replaced if they become torn, tattered or in disrepair.

(4) A portable canopy cannot exceed a height of fifteen (15) feet at the highest point and is limited to a maximum square footage of one hundred twenty (120) two hundred forty (240) square feet total for all portable canopies."

SECTION 3: MPMC § 21.080.080(G) is amended to read as follows:

"(G) Mechanical Equipment. In all residential zones, swimming pool circulating pumps, filters and heaters, and air conditioners and coolers, including compressor units thereof, constitute structures, subject to the following standards:

(1) Must be located in the a rear or interior side yard.

(2) ~~Must be located twenty-five (25) feet from any opening in a residential building on an adjoining lot except as specifically permitted by the City Planner.~~ Cannot be located any closer than five feet to a side or rear property line that abuts another residential zoned property.

(3) May be located on other portions of a residential lot or on the roof of a residential building, if such location is first approved by the City Planner.

(4) Must be screened from public view and cannot be visible from any abutting lot, or any public street or right-of-way, except solar panel surfaces (but not supports, piping, etc.). The design and material of the screen is subject to review and approval of the City Planner.

(5) A site plan and elevation plan must be submitted for zoning clearance, including footprint of adjacent residential building and location

of wall openings to adjacent building.

(6) The approvals required by the City Planner as provided for in this chapter, must be processed without application fee or public hearing upon submittal of required site plan. The City Planner must approve a location unless the location is or will be detrimental to neighboring properties. Conditions regarding exact location, size of unit, screening, sound proofing, color of unit, etc., may be imposed by the City Planner when deemed necessary to protect surrounding properties from excessive noise or unsightly appearance."

SECTION 4: MPMC § 21.10.030, Table 21.10 (A) is amended to read as follows:

"(A) Permitted Uses. The land uses listed in Table 21.10(A) are permitted in one or more of the commercial districts as indicated in the columns corresponding to each commercial district. SECTION 5: MPMC § 21.10.200 will be repealed in its entirety as follows:

21.10.200 Tenant Mix Leasing Plans.

"(A) Purpose. The City Council finds as follows: Although the city has commercial and industrial areas, it is primarily a residential community. The residents of the City need to have a variety of goods and services available to them to fulfill quality of life considerations. Location of providers of those goods and services within the City has many positive environmental impacts, both locally and regionally, by decreasing the need for residents to commute long distances to obtain necessities. A diversity of providers of such goods and services within the City also has many positive social and economic impacts, allowing City residents a wide range of choices, and encouraging purchasing locally. Appropriate tenant mix within any one shopping center is especially important in these respects, since it allows for better planning and design of traffic and circulation improvements, reduces congestion on City streets, and improves the potential for an economically successful center thereby avoiding blighting conditions and service costs that are associated with vacant and failed development, while providing the means for a full range of basic goods and services to residents. Finally, the entire community benefits when its residents purchase goods and services from local providers, through increased employment opportunities and the return of sales tax revenue which is used to finance needed services and improvements.

In recent years Monterey Park has experienced a loss of diversity in available goods and services, and a concomitant loss of purchasing from local businesses by City residents. This loss of diversity exacerbates existing problems. For example, an overconcentration of restaurants has placed burdens on the City and regional sewer systems which cause substantial health and welfare problems. The City has also experienced a substantial increase in the number of

~~commercial buildings which are vacant and in the number of shops which are economically marginal, as indicated by low sales tax revenues and high turn-over rates. Such instability in the commercial areas of the City has a significant detrimental effect on the quality of life of the City's residents.~~

~~It is the purpose and intent of this section to establish mechanisms to reduce high vacancy and turn-over rates in commercial developments, and to encourage a diversity of resources for City residents to purchase a wide choice of goods and services within the City.~~

~~(B) Applicability and Exemption. This section will apply to any project which consists of one acre or more in land area located in a commercial zone, or which consists of five or more contiguous lots located in a commercial zone. Notwithstanding the foregoing, the following projects will not be subject to this section:~~

~~(1) Any project of which at least seventy-five (75) percent of the square footage to be constructed is for office uses, and the remaining area will be divided into not more than three units for retail uses;~~

~~(2) Any project where the development will be totally occupied by a single retail tenant or user.~~

~~(C) The City Planner may waive submittal of any or all of the requirements of this section for any project if, in his/her sole determination, such information is not necessary for City review because the applicant has submitted sufficient information as part of another City application, such as participation in a master leasing program or development agreement establishing the financial feasibility of the proposed project.~~

~~(D) Leasing Plan. No project shall be constructed, erected, or maintained unless and until a leasing plan has first been approved pursuant to the provisions of this section. A leasing plan must include all of the following:~~

~~(1) A market analysis which:~~

~~(a) Defines the anticipated customer base area for the project, including analysis of the area's population, and their income, purchasing power, and buying habits and preferences,~~

~~(b) Identifies existing projects and projects that are under construction or have received entitlements which will potentially be in competition with the proposed project for that customer base area,~~

~~(c) Delineates access to the project site from freeways and~~

arterials;

- (d) Contains recommendations for commercial orientation of the project (e.g., neighborhood shopping, community shopping, regional shopping, convenience, specialty, off price/discount, etc.), and
- (e) Recommends major tenants which the analysis indicates have a high probability of establishing and maintaining economic viability within the identified customer base area;
- (2) Information indicating that a key tenant commitment has been made. Such information may consist of a letter of intent that clearly indicates the commitment of the key tenant(s) to sign a lease if the project is constructed and indicates that an agreement has been reached on all major deal points;
- (3) A use plan for leasing, selling, or otherwise using all space remaining in the project other than that subject to the key tenant commitment;
- (4) A financial feasibility study, based upon the key tenant commitment and proposed use plan;
- (5) Information demonstrating that long-term provisions for maintenance and marketing of the project, as necessary, have been made.
- (E) Approval Process. Before, or concurrent with, submittal of an application for a conditional use permit, site plan review, or other discretionary approval, the developer must submit to the Community Development Department a leasing plan, accompanied by fees as established by City Council resolution. The application may be submitted without the information required pursuant to subsection (C)(2) of this section; provided that the applicant amends the application when such information becomes available, which in any event must not be later than the applicant's submittal for a building permit for the project. The leasing plan must be reviewed by the City Planner. The results of that review process must be presented to the Planning Commission, which must approve the leasing plan if it determines that the leasing plan provides information that establishes a reasonable likelihood that the project will be financially feasible. The applicant may present additional information to the Planning Commission to aid it in its determination. The City Planner and Planning Commission will use their reasonable efforts to coordinate the review of the leasing plan with any hearings required in connection with the project. Appeal from the Planning Commission's decision may be made in the same manner and pursuant to the same procedures as established for appeal of a Planning Commission decision.

~~pertaining to a conditional use permit. See Chapter 21.32, Permit Procedures.~~

(F) ~~Amendment to Leasing Plan~~

- ~~(1) Each lessor of a project for which a leasing plan has been approved must notify the City and obtain City approval before any change of a key tenant. The City Planner must determine within ten (10) days of such notice whether to approve, disapprove, or conditionally approve such change, based upon a determination as to whether such change adversely impacts the likelihood that the project will be financially feasible.~~
- ~~(2) An application for amendment to a leasing plan must be submitted in the same manner as the original leasing plan. Such application will be processed administratively unless the City Planner determines the amendment adversely impacts the likelihood that the project will be financially feasible, in which case the application will be scheduled for public hearing before the Planning Commission.~~
- ~~(3) Any determination by the City Planner regarding a change in a key tenant or amendment to the leasing plan pursuant to this section may be appealed to the Planning Commission as provided for in Chapter 21.32, Permit Procedures. (Ord. 2097 § 3, 2013)"~~

SECTION 8: Environmental Review. This ordinance is exempt from additional environmental review under the California Environmental Quality Act (California Public Resources Code §§ 21000, *et seq.*, “CEQA”) and CEQA regulations (14 California Code of Regulations §§ 15000, *et seq.*) because it establishes rules and procedures to permit operation of existing facilities; consists only of minor revisions and clarifications to existing regulations and specification of procedures related thereto; and consists of actions taken to assure the maintenance, protection and enhancement of the environment. This ordinance, therefore, does not have the potential to cause significant effects on the environment. Consequently, it is categorically exempt from further CEQA review under 14 Cal. Code Regs. §§ 15301, 15305, and 15308.

SECTION 9: Construction. This Ordinance must be broadly construed in order to achieve the purposes stated in this Ordinance. It is the City Council’s intent that the provisions of this Ordinance be interpreted or implemented by the City and others in a manner that facilitates the purposes set forth in this Ordinance.

SECTION 10: Enforceability. Repeal of any provision of the MPMC does not affect any penalty, forfeiture, or liability incurred before, or preclude prosecution and imposition of penalties for any violation occurring before this Ordinance’s effective date. Any such repealed part will remain in full force and effect for sustaining action or prosecuting violations occurring before the effective date of this Ordinance.

SECTION 11: Validity of Previous Code Sections. If this entire Ordinance or its application is deemed invalid by a court of competent jurisdiction, any repeal or amendment of the MPMC or other city ordinance by this Ordinance will be rendered void and cause such previous MPMC provision or other the city ordinance to remain in full force and effect for all purposes.

SECTION 12: Severability. If any part of this Ordinance or its application is

deemed invalid by a court of competent jurisdiction, the City Council intends that such invalidity will not affect the effectiveness of the remaining provisions or applications and, to this end, the provisions of this Ordinance are severable.

SECTION 13: The City Clerk is directed to certify the passage and adoption of this Ordinance; cause it to be entered into the City of Monterey Park's book of original ordinances; make a note of the passage and adoption in the records of this meeting; and, within fifteen (15) days after the passage and adoption of this Ordinance, cause it to be published or posted in accordance with California law.

February 17, 2016 Staff Report

City Council Staff Report

DATE: February 17, 2016

AGENDA ITEM NO: Public Hearing
Agenda Item 4-A.

TO: Honorable Mayor and Members of the City Council
FROM: Michael A. Huntley, Director of Community and Economic Development
SUBJECT: Consider the adoption of an Ordinance amending specific sections of Title 21 (zoning regulations) of the Monterey Park Municipal Code.

RECOMMENDATION:

It is recommended that the City Council consider:

1. Opening the public hearing;
2. Taking documentary and testimonial evidence;
3. Closing the public hearing and considering the draft ordinance;
4. Introducing and waiving first reading of the ordinance and schedule second reading and adoption for March 2, 2016; and
5. Taking such additional, related, action that may be desirable.

EXECUTIVE SUMMARY:

In April 2013, the City Council adopted an ordinance amending Title 21 of the Monterey Park Municipal Code in its entirety. That Title regulates the City's zoning. At that time, the City Council directed staff to examine 13 matters and return to the Planning Commission and City Council with recommended changes.

Since 2013, two of the 13 items have been addressed including:

1. Commercial Property Reports – A code amendment was adopted by the City Council deleting this provision from the code.
2. Residential Property Reports - A code amendment was adopted by the City Council deleting this provision from the code.

The code amendments were first presented to the Planning Commission on April 14, 2015. On April 28, 2015, this item was brought back to the Commission to receive direction. The Commission after considering the evidence presented during the public hearing directed staff to prepare a resolution recommending that the City Council amend Monterey Park Municipal Code ("MPMC") Chapter 21.08 and MPMC Chapter 21.10. On May 12, 2015, staff presented a resolution for Commission consideration. At the time, the Commission underwent reorganization. Since the Planning Commission now included a number of new members, the item was held over to allow for the new members to better understand the proposed code amendments.

On January 26, 2016, the Planning Commission considered the proposed code amendments. Subsequent to a lengthy review and discussion on the matter, the Commission unanimously approved a resolution recommending that the City Council approve the code amendments. However, the Commission requested that the proposed amendment to Section 21.08.040 (W) Landscaping related to the residential landscape provisions be pulled from the proposed amendment for further evaluation before it comes back to the Planning Commission.

ANALYSIS:

The proposed code amendments below address six of the remaining clean up items from 2013 and four additional cleanup items. The 10 items are summarized below. The code sections are incorporated into the draft ordinance with strikethroughs for deletions and underlines or highlights for additions, respectively.

Chapter 21.08 Residential Zones

The following three residential code provisions were identified by the City Council as items needing clarification and included on the list of code clean up items.

1. **Section 21.08.040 (H) Portable Canopies** – In various residential districts, portable canopies are subject to several conditions including the limitation of one portable canopy per residential unit, not to exceed 120 square feet. It was suggested that a better limitation may be to limit portable canopies, not by a fixed number of canopies per residential unit, but rather limiting canopies by establishing a maximum allowable area not to exceed 240 square feet per lot, not per residential unit. Establishing a maximum of 240 square feet for portable canopies per residential lot is an appropriate standard. Any accessory structure or building that exceeds 120 square feet will require a building permit.
2. **Section 21.08.080 (G) Mechanical Equipment** – The MPMC states that mechanical equipment in the residential zones must be located twenty-five feet from any opening in a residential building on an adjoining lot except as specifically permitted by the City Planner. This restriction is very limiting in the placement of mechanical equipment, especially on lots that are legal nonconforming lots that are only 50 feet in width. It was suggested that a less restrictive and less cumbersome standard be established.

Staff surveyed the code provisions for mechanical equipment in residential zoning districts in neighboring cities. Based on the survey, the minimum required setback for mechanical equipment was 2 feet and the maximum required setback was 5 feet from side or rear property lines. Due to the nature of certain types of mechanical equipment, requiring a minimum 5-foot setback from side and rear property lines makes the most sense. This should ensure that noise related impacts from certain types of mechanical equipment are kept to a minimum.

Chapter 21.10 Commercial Zones

The following four commercial code provisions were identified by the City Council as items needing clarification and included on the list of code clean up items.

3. **Section 21.10.030 (A) Permitted Uses “Art Gallery”** – It was pointed out that an Art Gallery is not permitted in the S-C (Shopping Center) zone, yet this use is permitted in the N-S (Neighborhood Shopping), C-B (Central Business), R-S (Regional Specialty Center), and the C-S (Commercial Service) zones of the City. Since an Art Gallery tends to be a low intensity use and beneficial to the livelihood of commercial districts, the intent is to amend the index of permitted uses for the commercial districts to allow an Art Gallery as a permitted use in the S-C zone.
4. **Section 21.10.030 (A) Permitted Uses “Car Wash”** – A Car Wash is permitted subject to the approval of a Conditional Use Permit in the N-S (Neighborhood Shopping) zone. Since the N-S zone is the least intensive commercial district meant to benefit lower density residential neighborhoods, the deletion of this use from the N-S district would be an appropriate action.
5. **Section 21.10.200 Tenant Mix Leasing Plan** – A Tenant Mix Leasing Plan (1) contains leasing plan requirements applied to any project which is one acre or more in land use or which consists of five or more units, and (2) requires a conditional use permit and other description approvals. The requirement for a leasing plan and market analysis, including such features as an executed agreement with a sales or leasing agent and a financial feasibility study is the type of requirements that appear to get Monterey Park labeled as “business unfriendly.” These provisions have not been used for several years. These requirements appear to be a holdover of redevelopment projects. If this provision is eliminated, the City will still have the

conditional use permit process to rely on to add conditions, if necessary, to address aspects of the tenant occupancy. It was suggested at a City Council meeting that this issue be referred to the Planning Commission to consider amending the MPMC to eliminate or revise these requirements to make the MPMC more business friendly.

6. **Section 21.22.170 Compact Automobile Parking** – It was suggested that the compact parking requirement be evaluated to allow a greater percentage of compact spaces versus standard parking spaces in commercial development. Pursuant to the Off-Street Parking Regulations, compact automobile parking is permitted for commercial and/or office projects that have a building square footage of at least 30,000 square feet and at least 50 off-street parking spaces. Of the total required number of off-street parking spaces, 30 percent can be dedicated as compact spaces. Staff is not recommending any changes to the compact provisions because compact parking is only allowed in larger commercial developments where compact can be a benefit to the customers. However, since vehicle size has fluctuated back and forth from large to small and back, it is not practical for the MPMC to keep up with the constant changes, so a standardized stall size makes sense.

Clean-up Items

The following five commercial provisions were not identified as 2013 code clean up items, but have been identified by Planning staff as items that were either inadvertently left out from the previous MPMC, or are items that should be addressed.

7. **Section 21.10.040 (I) Limitations, Special Standards and Accessory Uses** – In the day-to-day implementation of the MPMC, staff discovered that the special height provisions allowed in the Los Angeles Corporate Center area were inadvertently deleted in the 2013 MPMC update. Based on the original subdivision map for the development of the Corporate Center office park, office buildings were permitted at a height of 75 feet, and may exceed the height limit subject to the approval of a conditional use permit. That height provision was misplaced in the MPMC and staff is recommending that such provision be included in the MPMC as specifically related to the parcels identified in the final map that established the Los Angeles Corporate Center (Final Map 42611).
8. **Section 21.10.070 Standards of Development** – Planning staff discovered that the specific provisions in Table 21.10(B) related to commercial development standards were inadvertently deleted from the 2013 MPMC update. Specifically, a portion of the Floor Area Ratio (FAR) has been incorporated into Table 21.10(B); however, the former regulations also included a provision that allowed the FAR to be exceeded subject to the review and approval of a conditional use permit by the Planning Commission. Staff is recommending that those code provisions be reinserted into the code.
9. **Section 21.10.030 (A) Land Use Regulations (Professional Office and Notary Uses)** - Another item that was left out of the 2013 update was the provision that allows office uses to be located on the ground floor of a commercial building in the

S-C (Shopping Center), C-B (Central Business) and the R-S (Regional Specialty) zoning districts, subject to a conditional use permit. Staff is recommending that the code provision be expanded to include the N-S and C-S zoning districts as well.

10. **Section 21.10.030 (A) Land Use Regulations (Internet Arcades)** – Currently, Internet Arcades are only permitted in two of the commercial zoning districts subject to a conditional use permit and a myriad of development and performance standards. In evaluating the commercial districts, staff determined that such a use could also be accommodated in other commercial districts as well, subject to the same conditional use permit requirements and related development and performance standards. Staff is therefore proposing to allow Internet Arcades in both the C-B (Central Business District) and the R-S (Regional Specialty Center) districts to allow a wide variety uses in these commercial districts.

Hold Over Items

The following five remaining items will be held over as part of future code clean-up items since they require more in depth analysis. These items include:

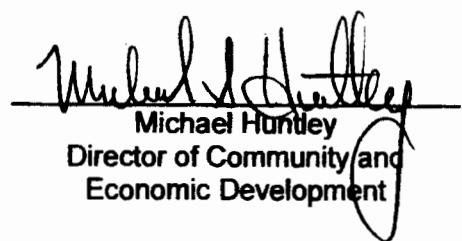

11. Design Review
12. Live/work Units
13. Office Professional (O-P) Zone
14. Master Conditional Use Permit for Major Development
15. Section 21.08.040 (W) Landscaping for Residential Areas

ENVIRONMENTAL:

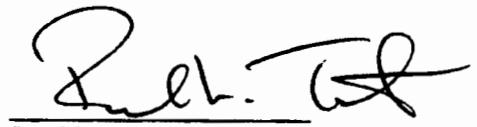

The proposed ordinance is exempt from further environmental review under the California Environmental Quality Act (Public Resources Code §§ 21000, et seq., "CEQA") and CEQA Guidelines (14 California Code of Regulations §§ 15000, et seq.) because the ordinance being recommended by the resolution constitutes only minor revisions and clarifications to existing regulations and specification of procedures related thereto; and consists of actions taken to assure the maintenance, protection and enhancement of the environment. The resolution and ordinance, therefore, do not have the potential to cause significant effects on the environment. Consequently, they are categorically exempt from further CEQA review under 14 California Code Regulations §§ 15301, 15305, and 15308.

5A. SECOND READING AND ADOPTION: AN ORDINANCE AMENDING THE ZONING CODE EXPRESSLY PROHIBITING COMMERCIAL CANNABIS ACTIVITIES, CULTIVATION OF MEDICAL CANNABIS, AND DELIVERY OF MEDICAL CANNABIS IN ALL AREAS OF THE CITY

The Monterey Park Municipal Code expressly prohibits medical marijuana dispensaries in the City. Recent legislation signed by Governor Brown expressly authorizes cities to regulate or prohibit the cultivation and delivery of medical cannabis, and commercial cannabis activities, generally. If cities in California do not prohibit the cultivation of medical cannabis by March 1, 2016, the State will become the exclusive licensing authority for medical cannabis cultivation. Although these medical marijuana-related activities are already technically prohibited under the City's permissive zoning scheme (*viz.* any use that is not expressly permitted is prohibited), staff recommends adoption of an ordinance that expressly prohibits these medical marijuana-related activities in order to avoid any possible ambiguity.

The first reading and public hearing occurred on January 20, 2016. The ordinance is now ready for second reading and adoption by the City Council.

Action Taken: The City Council waived second reading and adopted Ordinance No. 2126.

City Council Staff Report

DATE: March 2, 2016

AGENDA ITEM NO: **New Business
Agenda Item 6-C.**

TO: The Honorable Mayor and Members of the City Council
FROM: City Attorney's office
SUBJECT: Appeals ordinance

RECOMMENDATION:

It is recommended that the City Council consider:

1. Waive first reading and introduce an ordinance adding a new Chapter 1.10 to the Monterey Park Municipal Code ("MPMC") regarding appeals, and repealing multiple sections of the MPMC that separately regulate appeals;
2. Schedule second reading and potential adoption for March 16, 2016; and
3. Taking such additional, related, action that may be desirable.

CEQA:

This ordinance is exempt from review under the California Environmental Quality Act (Public Resources Code §§ 21000, et seq., "CEQA") and the regulations promulgated thereunder (14 California Code of Regulations §§ 15000, et seq., the "CEQA Guidelines") because it constitutes an organizational or administrative activity of the City that will not result in direct or indirect physical changes in the environment. Accordingly, it is not a "project" that has the potential to cause significant physical effects on the environment and is not subject to CEQA pursuant to CEQA Guidelines §§ 15061 and 15378.

EXECUTIVE SUMMARY:

During the City's ongoing review of the MPMC (most recently for zoning and code enforcement updates), the City Attorney's office noted that the MPMC contains a number of different procedures for appealing various decisions made by staff and commissions. These different regulations are not uniform and they include multiple time limits within which appeals must be filed. The draft ordinance would implement uniform time periods and procedures for appealing most decisions under the MPMC.

BACKGROUND:

The MPMC authorizes public officials – such as the Building Official, the City Engineer and the City Planner – to make certain decisions; it also empowers various boards and

commissions – such as the Design Review Board and Planning Commission – to render decisions. All such decisions can, generally, be appealed to the City Council for a final determination. Persons who are disgruntled by the City Council's decision may then seek judicial intervention in accordance with applicable law.

It is rare for decisions by either the City's officials or the boards/commissions to be appealed. Recently, however, the City Council considered two appeals from decisions made by the Planning Commission; a third appeal is pending.

While preparing those appeals for City Council consideration, it became apparent that the MPMC's current regulations include a variety of procedures and time limitations for appealing decisions. These differences resulted in some confusion for both staff and appellants.

To help ensure that the City complies with applicable law and provides appellants (and staff) with unambiguous methods for appealing decisions, the draft ordinance proposes to create uniform procedures for most appeals. Among other things, the ordinance would impose a 10-day time limit for any appeal of a decision. This time limit conforms with the 10-day limitation set forth in Government Code § 66452.5 which regulates subdivision maps.

Additionally, the proposed ordinance would establish generally applicable procedures for appealing a decision and a hierarchy of decision-makers considering such appeals. For example, persons seeking redress from a decision rendered by the Community and Economic Development Director (also identified as the "City Planner" within MPMC Title 21), could appeal that decision to the Planning Commission. If dissatisfied with the Planning Commission decision, the person could then appeal to the City Council.

One substantive change proposed by the ordinance is the appeals process for decisions rendered by the Design Review Board (DRB). The MPMC currently provides that persons dissatisfied with a DRB decision may directly appeal that decision to the City Council. If adopted, the draft ordinance would change that provision and instead cause appeals of DRB decisions to be heard by the Planning Commission. While not legally required, such action may be desirable in order to fully utilize the Planning Commission's statutory authorities under California law.

The Government Code provides that a "planning agency" exists in each city and county in California. For general law cities, the city council acts as the planning agency unless it delegates such authority to a planning commission.¹

The basic functions of a planning agency include:

"[i]mplement[ing] the general plan through actions including, but not limited to, the administration of specific plans and zoning and subdivision

¹ Government Code § 65100.

ordinances" and to "[p]erform other functions as the legislative body provides...."²

While there is leeway to identify which functions a planning commission may exercise,³ if a city council creates a planning commission, that body is generally authorized to undertake all planning agency functions established by California law.

MPMC Chapter 21.36 governs the requirements for project design within the City. It also establishes the DRB and delegates certain authority to the DRB. The design of a project is necessarily intertwined with the land use authority delegated to the Planning Commission by the City Council in accordance with the MPMC. It seems logical, therefore, that persons dissatisfied with a DRB decision should first appeal to the Planning Commission before seeking City Council intervention. This would allow an appeal to be fully vetted and all design and land use considerations to be taken into account. In the end, if the appeal does come before City Council, the record would better reflect the reasoning for the actions taken by the DRB and Planning Commission.

While the proposed ordinance would better organize and clarify procedures for most appeals, other parts of the MPMC that regulate specific appeal requirements would remain unaffected. The reason for this is that specific laws require a certain procedure for such decisions. Thus, for example, the procedures for appealing an administrative citation under the MPMC⁴ are tied into specific requirements of the Government Code.⁵ Accordingly, the uniform standards recommended in the draft ordinance would not apply to such unique situations.

FISCAL IMPACT:

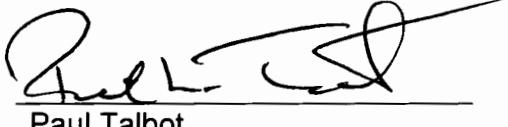

The proposed ordinance, by itself, does not have a fiscal impact.

Karl H. Berger,
Assistant City Attorney

City Council Staff Report

DATE: March 2, 2016

AGENDA ITEM NO: **New Business**
Agenda Item 6-D.

TO: The Honorable Mayor and City Council
FROM: Jim Smith, Police Chief
SUBJECT: Second response ordinance

RECOMMENDATION:

It is recommended that the City Council consider:

1. Waive first reading and introduce an ordinance amending the Monterey Park Municipal Code ("MPMC") regulations regarding recovering costs for second responses to unruly gatherings;
2. Schedule second reading and potential adoption for March 16, 2016; and
3. Taking such additional, related, action that may be desirable.

CEQA:

The ordinance is exempt from review under the California Environmental Quality Act (California Public Resources Code §§ 21000, et seq., "CEQA") and CEQA regulations (14 California Code of Regulations §§ 15000, et seq.) because it consists only of revisions and clarifications to existing public nuisance codes and procedures related to such codes. Adoption of this ordinance will not have the effect of deleting or substantially changing any regulatory standards or required findings. Adopting the ordinance is an action being taken for enhanced protection of the environment.

EXECUTIVE SUMMARY:

In January, the City Council adopted three ordinances that, among other things, consolidated various code enforcement regulations within a new Title 4 of the MPMC. The proposed ordinance continues the process of updating the MPMC's code enforcement regulations. This ordinance, if adopted, would clarify and streamline the City's existing regulations for recovering costs associated with second responses to unruly gatherings within the City.

BACKGROUND:

In 1995, the City Council adopted Ordinance No. 1899 which added Chapter 9.52 to the MPMC. The justification for that ordinance (and the draft ordinance being considered tonight) was based on a number of public policy concerns including:

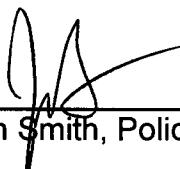

- Recognizing loud and unruly parties on private property where alcohol is present is harmful to underage persons and is a threat to public safety, public health, threatens the quiet enjoyment of residential property and constitutes a public nuisance.
- Recognizing persons responsible for such parties have a duty to ensure alcohol is not served to, or consumed by, underage persons.
- Recognizing landlords have a duty to prevent the occurrence of loud and unruly parties, even if they do not have day-to-day, physical control of the property.
- Recognizing that when public safety personnel respond multiple times it is a disproportionate expenditure of resources and reduces availability to the rest of the community.

A review of MPMC Chapter 9.52 shows that the current regulations are somewhat vague as to terms, procedures, and cost collection. The proposed ordinance is intended to clarify the City's procedures for recovering its second response costs while also providing transparency and due process to individuals responsible for paying the City's response costs. Consequently, a number of definitions, procedures, and appeals processes are recommended in the draft ordinance. Additionally, the ordinance would cause the second response regulations to be moved into MPMC Title 4 as part of the code enforcement update.

FISCAL IMPACT:

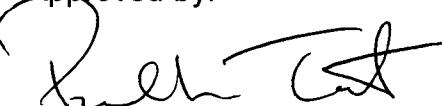

The proposed ordinance, by itself, does not have a fiscal impact. It is anticipated that the City will be able to recover its second response costs more efficiently if the ordinance is adopted. The exact fiscal impact of implementing the ordinance is difficult to calculate.

Jim Smith, Police Chief

Proposed Ordinance

ORDINANCE NO. _____

AN ORDINANCE REPEALING MONTEREY PARK MUNICIPAL CODE CHAPTER 9.52 AND ADDING A NEW CHAPTER 4.40 TO THE MONTEREY PARK MUNICIPAL CODE ENTITLED "UNRULY GATHERINGS AND DISTURBANCES; SECOND RESPONSE CALLS."

The city council of the city of Monterey Park does ordain as follows:

SECTION 1: The City Council finds and determines as follows:

- A. Article XI, § 7 of the California Constitution empowers the City to enact and enforce ordinances regulating conditions that may be public nuisances or health hazards, or that promote social, economic, or aesthetic considerations;
- B. Government Code §38771 authorizes the City to declare what constitutes a nuisance by ordinance;
- C. The City's ability to abate public nuisances through its police powers is well-established (see, e.g., Civil Code §§ 3479, 3480; *People ex rel. Gallo v. Acuna* (1997) 14 Cal.4th 1090; *People v. Greene* (1968) 264 Cal.App.2d 774);
- D. City's ability to recover its nuisance abatement costs through local regulations, including, without limitation, reasonable attorney's fees, is also recognized (see *City of Santa Paula v. Narula* (2003) 114 Cal.App.4th 485, *reh'g den.* 2004; *City of Flagstaff v. Atchison, Topeka and Santa Fe Railway Co.* (9th Cir. 1983) 719 F.2d 322, 324);
- E. Code of Civil Procedure § 731 permits civil actions to be brought in the name of the people of the state of California to abate public nuisances; and
- F. A review of the Monterey Park Municipal Code ("MPMC") shows that it is desirable to update regulations prohibiting unruly gatherings and second response calls for disturbances, and to reorganize the provisions of the code concerning nuisances in order to make them easier to understand.
- G. It is in the public interest for the City Council to adopt this Ordinance to deter unruly gatherings; protect minors and other young adults; preserve public health, safety, and welfare; and ensure that the public can recover costs associated with abating unruly gatherings. Nothing contained in this Ordinance is intended to, nor will it, interfere with any California law provision that regulates activities identified by this Ordinance; it is intended only to enact measures that are different from, or supplement, California law to further restrict acts associated

with unruly gatherings.

H. Therefore, the council further finds that it is in the best interest of the public safety, welfare, and convenience of the city, as well as in fairness to its citizens, to require those persons whose conduct requires utilizing the additional police services, and those persons who permit such conduct to occur on premises under their control, to partially defray the city's expense for providing the same.

SECTION 2: Chapter 9.52 of the MPMC, entitled "Second Response Calls," is repealed. All provisions of the MPMC referring to Chapter 9.52 are changed to refer to Chapter 4.40.

SECTION 3: A new Chapter 4.40 entitled "Unruly Gatherings; Second Response Calls," consisting of § 4.40.010 to §4.40.210 is added to the MPMC to read as follows:

4.40.010 PURPOSE.

A. Loud and unruly social gatherings frequently become public nuisances

since they interfere with the comfortable enjoyment of life, property, and threaten public safety. All such activities detrimentally affect the neighborhoods that surround these nuisances.

B. Supplying alcoholic beverages to persons under 21, or possession and consumption of alcoholic beverages by persons under 21, is unlawful (see, e.g., Business and Professions Code §§ 25658, 25662).

C. Frequently these unruly gatherings create opportunities for underage persons and minors to obtain alcoholic beverages. Hosts of such nuisances often know, or should know, that illegal consumption of alcohol occurs during the unruly gatherings, but fail to take any reasonable measures to prevent such illegal activity.

D. The City's Police Department has, both now and in the past, responded to unruly gatherings multiple times for law enforcement activities. In addition, the City's other Departments, including the Fire Department and Public Works Department, have responded to unruly gatherings in order to, without limitation, assist with law enforcement efforts, repair damage to public facilities, treat participants in such unruly events, or engage in fire suppression activities. A disproportionately higher level of public services is provided to unruly gatherings as compared to the City's general need for public services.

E. In addition, the public services required for responding to incidents that occur as a consequence of unruly gatherings (for example, driving while intoxicated, increased social violence, and incidents of sexual assault) are also disproportionately greater than what is generally required within the City's jurisdiction.

F. There exists and has existed an increasing trend toward disturbances both at rental facilities and private homes within the city. Such incidents on many occasions disturb the public peace, safety, and welfare thereby requiring a disproportionately higher level of public services as compared to the City's general need for public services.

G. Such threats to public health, safety, and welfare constitute a clear and present danger to public order and safety and are not protected by any provision of the California or United States Constitutions.

4.40.050 SECOND RESPONSE; RESPONSE COSTS. Utilization of any public employee during any response to unruly gatherings or disturbances after the first warning, where responding police officers determine there is a violation of this chapter, is a public service over and above the services generally provided within the city's jurisdiction and, accordingly, constitutes a special public service.

4.40.060 NOTICE; RESPONSIBLE PERSON SIGNATURE.

A. When police officers respond to an unruly gathering or disturbance, the police officers can, but are not required to, issue written notice to the responsible person stating as follows:

1. If police officers are required to return to the same premises within the following twelve (12) hour period in response to a complaint; or
2. If police officers are required to return to the same premises that either hosted an unruly gathering or permitted a disturbance to occur for a total of three times or more within a six (6) month period in response to a complaint; and
3. The responding police officers determine there is a violation of this chapter; then
4. Such additional responses by police officers, or other public employees, will constitute response costs, the cost of which must be paid by the responsible person. Any such costs will become the responsible person's personal obligation and be a debt to the city.
5. Notices issued pursuant to this section must be signed by the responsible person which acknowledges receipt of the warning. A signed copy may be left with the responsible person. If a second or subsequent response is required, police officers must have a responsible person sign a response cost invoice acknowledging the special public services and additional invoices for any further responses.

4.40.090 COLLECTION OF FEES.

A. All fees and charges levied for response costs are due and payable upon presentation.

B. All response costs constitute a valid debt to the city and against the responsible person or, if the responsible person is a minor, the responsible person's parents and guardians.

E. Fees and charges to be levied for recovering city costs for notification and collection of delinquent accounts will be established by city council resolution. Such fees and charges are part of the response costs.

F. A court rendering a judgment pursuant to this section may, in addition to any other order provided by law, require the payment of reasonable attorney's fees, and costs of investigation, discovery and court costs.

4.40.100 ADMINISTRATIVE APPEALS.

Responsible persons served with a response cost invoice in accordance with this Chapter may appeal the response cost invoice to the city manager, provided:

A. A request for review must be commenced within ten (10) days from the date on which the response cost invoice is served on the responsible person. If an appeals request is untimely, the city manager may, nevertheless, extend the time for commencing such review for good cause shown.

B. A request for appeal must be accompanied by an advance deposit of the response costs or a request for a hardship waiver, and must be made on a form provided by the City which contains the following information:

1. The name, address and telephone number of the person making the request;
2. A copy of the response cost invoice or, if that document is unavailable, the approximate date, time, address, and amount of response costs;
3. A brief description of all grounds for making the request;
4. Whether an administrative hearing is requested; and
5. Such other information as the City may require.

C. Upon receiving an appeal, the city manager must appoint an independent hearing officer to review the request.

D. If a responsible person requests a hearing, the city clerk will schedule a hearing on a date not less than fifteen (15) nor more than sixty (60) days from the date the hearing is requested. Written notice of the date, time and location of the administrative hearing must be provided to the responsible person at least fifteen (15) days before the hearing date.

4.40.110 ADVANCE DEPOSIT – HARDSHIP WAIVER.

A. Responsible persons financially unable to make an advance deposit of the response costs may file for a hardship waiver. The request for a hardship waiver must be filed with the city clerk's office on a form containing information that may be required by the city clerk. The city clerk will review the request and determine whether a waiver is justified. A waiver may only be approved if the request for waiver is accompanied by a sworn affidavit, together with any supporting documents or materials, demonstrating the responsible person's actual financial inability to deposit the full amount of the fine.

B. The city clerk will inform the responsible person in writing regarding whether the city clerk approved the waiver. This determination must be served upon the responsible person by mail at the address provided in the waiver application. The city clerk's determination is final.

C. Should the clerk determine that a waiver is unjustified, the responsible person must deposit the response cost amount with the city not later than ten (10) days after the date of that decision. Failure to make a deposit within ten (10) days after waiver denial is deemed a waiver of the responsible person's right to an administrative appeal and the response costs will be deemed delinquent.

4.40.120 CONDUCT OF HEARINGS.

A. Waiver of Personal Appearance at Hearing. In lieu of personally appearing at an administrative hearing, the responsible person may request that the hearing officer decide the matter based on the written appeal and any other documentary evidence submitted by the responsible person or police chief, or designee, before the hearing date.

B. Failure to Appear at Hearing. Failure of a responsible person to appear at the hearing is deemed a waiver of the right to be personally present at the hearing. The hearing officer must then decide the matter based upon the written appeal, the response cost invoice, any documentary evidence previously submitted, and any additional evidence that may be presented at the hearing by the police chief or designee.

C. Continuation of Hearings. The hearing officer may continue any hearing and request additional information from the police chief, or designee, or responsible person before issuing a written decision.

4.40.130 HEARING OFFICER DECISION.

A. Within ten (10) days of receiving the appeal or, if a hearing is requested, after a hearing, the hearing officer must provide the responsible person with a written notification that:

1. The response cost invoice is affirmed;
2. The response cost invoice is modified; or
3. The response cost invoice is vacated.

B. The hearing officer's decision is a final determination. There is no right of city council appeal.

4.40.140 RIGHT TO JUDICIAL REVIEW.

A. A responsible person may appeal the hearing officer's decision by filing an appeal with the Superior Court pursuant to Government Code § 53069.4, or any successor statute, within twenty (20) days from service of the hearing officer's decision.

B. Should the responsible person file a timely appeal with the Superior Court, the requirement to pay the response costs is suspended and the payment of the response costs, if any, will be in accordance with the Superior Court decision.

4.40.150 DISPOSITION OF RESPONSE COSTS.

A. Should the hearing officer uphold the response cost invoice, then the city can retain the deposited response costs.

B. Should the hearing officer vacate the response cost invoice, then the city must promptly refund the amount of the deposited amount, if any.

C. Should the hearing officer uphold the response cost invoice and a hardship waiver was previously granted, the due date for paying the response costs will be thirty (30) days from the date of the notice of the hearing officer's decision.

4.40.160 RECOVERY OF RESPONSE COSTS; LIENS. In addition to any other legal remedy, the city may place a lien on property owned by the responsible person in an amount equal to the sum of the response costs delinquent for more than (90) days, plus penalties and interest. If multiple responsible persons exist, they will be jointly and severally liable for any payments so ordered.

4.40.170 LIEN PROCEDURE.

- A. The city manager, or designee, may initiate proceedings to record a lien conforming with this article if the decision is not appealed.
- B. Before recording the lien, the city manager, or designee, must submit a report to the city clerk stating the amounts due and owing.
- C. The city clerk will fix a time, date, and place for the city council to consider the report and any protests or objections to it.
- D. The city clerk must serve the responsible person with a hearing notice not less than ten (10) days before the hearing date. The notice must set forth the amount of the delinquent administrative fine, and any penalties and interest that is due. Notice must be delivered first-class mail, postage prepaid, addressed to each responsible person's address as it appears on the last equalized assessment roll or supplemental roll of the County of Los Angeles, whichever is more current. Service by mail is effective on the date of mailing and failure of responsible person to actually receive notice does not affect its validity.
- E. At the conclusion of the hearing, the city council will adopt a resolution confirming, discharging, or modifying the lien amount.

4.40.180 RECORDING A LIEN. Within thirty (30) days following the city council's adoption of a resolution imposing a lien, the city clerk will file same as a judgment lien in the Los Angeles county recorder's office.

4.40.190 ADMINISTRATIVE FEE. Each responsible person against whose property an assessment is levied pursuant to this chapter will also be assessed an administrative fee in an amount established by city council resolution based on the costs incurred in levying the assessment. The administrative fee will be included in the lien amount approved by the city council and recorded against the responsible person's property.

4.40.200 SATISFACTION OF LIEN. Once the city receives full payment for outstanding principal, penalties, and costs, the city clerk will either record a notice of satisfaction or provide the responsible person with a notice of satisfaction for

recording at the Los Angeles County Recorder's Office. This notice of satisfaction will cancel the city's lien.

4.40.210 ENFORCEMENT.

- A. Violations of this chapter may be enforced as follows:
 1. Prosecution as infractions or misdemeanors at the city attorney's discretion. For three (3) or more violations at the same premises occurring within any twelve (12) consecutive month period, a violation of this chapter is deemed to be a misdemeanor.
 2. Abated as a public nuisance. Because unruly gatherings and disturbances constitute an immediate threat to public health, safety, and welfare, the procedures for emergency abatement may be used as provided by this Code and can include, without limitation, an order requiring dispersal of an unruly gathering.
- B. Nothing in this chapter will be deemed to prevent the city attorney from:
 1. Commencing a civil action in the superior court to enforce all or any of the provisions of any abatement order;
 2. Commencing a civil action to abate a public nuisance as an alternative to or in conjunction with an administrative proceeding pursuant to this chapter;
 3. Filing a civil action to recover the amount of a confirmed accounting from an owner or occupant of the lot to which it relates; or
 4. Filing a criminal action to enforce this Code.
- C. Where a civil action is filed, the prevailing party is entitled to reasonable attorneys' fees, but is limited by the amount of attorneys' fees claimed by the city. If the court issues an order or a judgment which finds a public nuisance to exist, and orders or approves the abatement of the public nuisance, or where the court validates an accounting, the court will also award the city its actual costs of abatement, including, without limitation, reasonable attorneys' fees incurred by the city in such judicial proceeding.
- D. The remedies provided by this chapter are cumulative and in addition to any other criminal or civil remedies including, without limitation, those set forth elsewhere in this Title."

SECTION 4: *Environmental Review.* This ordinance is exempt from review under the California Environmental Quality Act (California Public Resources Code §§ 21000, et seq., "CEQA") and CEQA regulations (14 California Code of Regulations §§ 15000, et seq.) because it consists only of revisions and clarifications to existing public nuisance codes and procedures related to such codes. Adoption of this ordinance will not have the effect of deleting or substantially changing any regulatory standards or required findings. This ordinance is an action being taken for enhanced protection of the environment.

SECTION 5: Repeal of any provision of the MPMC, or any other City resolution or ordinance herein will not affect any penalty, forfeiture, or liability incurred before, or preclude prosecution and imposition of penalties for any violation occurring before, this Ordinance's effective date. Any such repealed part will remain in full force and effect for sustaining action or prosecuting violations occurring before the effective date of this Ordinance.

SECTION 6: If any part of this Ordinance or its application is deemed invalid by a court of competent jurisdiction, the City Council intends that such invalidity will not affect the effectiveness of the remaining provisions or applications and, to this end, the provisions of this Ordinance are severable.

SECTION 7: The City Clerk is directed to certify the passage and adoption of this Ordinance; cause it to be entered into the City of Monterey Park's book of original ordinances; make a note of the passage and adoption in the records of this meeting; and, within fifteen (15) days after the passage and adoption of this Ordinance, cause it to be published or posted in accordance with California law.

SECTION 8: This Ordinance will take effect on the 31st day following its final passage and adoption.

Original Ordinance #1899

ORDINANCE NO. 1899

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MONTEREY PARK, CALIFORNIA ADDING CHAPTER 9.52 OF THE MONTEREY PARK MUNICIPAL CODE RELATING TO SECOND RESPONSE CALLS.

THE CITY COUNCIL OF THE CITY OF MONTEREY PARK, CALIFORNIA DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. A new Chapter 9.52 shall be added to the Monterey Park Municipal Code to read as follows:

9.52 SECOND RESPONSE CALLS

Section 9.52.010 Legislative findings and authorization.

The city council hereby finds that there exists and has existed an increasing trend toward large parties and disturbances both at rental facilities and private homes within the City of Monterey Park. Said incidents on many occasions disturb the public peace, safety, and welfare thereby requiring police services over and above those normally provided. Therefore, the council hereby further finds that it is in the best interest of the public safety, welfare, and convenience of the city as well as in fairness to its citizens to require those persons whose disturbance requires utilizing the additional police services to partially defray the city's expense for providing the same.

Section 9.52.020 Second Response - Service Fee.

When a large party or disturbance occurs at a premises and a police officer at the scene determines that there is a threat to the public peace, health, safety or general welfare, the person in charge of the premises and the person responsible for the event, or if either of those persons is a minor, then the parents or guardians of that minor, will be held jointly and severally liable for the cost of providing police personnel on special security assignment over and above the services normally provided by the department. The police department utilized during a second response after the first warning, to control the threat to the public peace, health, safety or general welfare shall be deemed to be on special security assignment over and above the services normally provided. The costs of such special security assignment may include, but are not limited to, personnel and equipment costs, damages to city property and/or injuries to city personnel.

Section 9.52.030 Accounting and Billing Procedures.

Any and all personnel who may be deployed by the city pursuant to this chapter shall be deemed to be on regular duty under the general supervision of the Chief of Police or Chief of the Fire Department, and any officer in charge under their respective commands, and shall be entitled to any and all benefits provided by law or ordinance for such personnel as employees of the city, except that the rate of pay for such special security services shall be as set forth herein. The pay for each employee thus employed during such employment shall be at his or her actual rate of pay with a four hour minimum. The Chief of Police or other department head, as the case may be, shall report to the Director of Finance the name of the person, firm, organization or corporation requiring such personnel, the names of the employees so employed and the number of hours of employment of each. The Director of Finance shall thereupon bill the person, firm, organization or corporation requiring such personnel for the amount paid to each plus the cost of workmen's compensation charges and other administrative costs. Any failure of such person, firm, organization or corporation to make payment therefore shall constitute a debt due solely to the city.

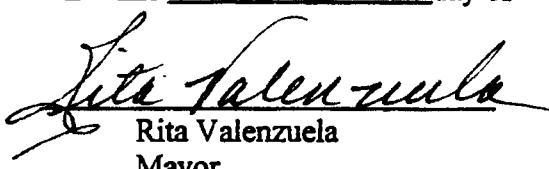

Section 9.52.040 Administrative Rules and Regulations.

The Chief of Police may adopt administrative rules and regulations which are consistent with the provisions of this chapter for the purpose of implementing the same.

SECTION 2. The purpose of this Ordinance is to recover the cost of second responses on party and disturbance calls and reduce the number of second response calls. Parties and disturbances are becoming an ever increasing problem, causing a depletion of police officers available to respond on emergency service calls. It has also caused a drain in police resources such as officer overtime, injuries and damages sustained by officers and equipment.

SECTION 3. The City Clerk shall certify to the adoption of this ordinance and shall cause the same to be published in the manner prescribed by law within fifteen days after its passage, and said ordinance shall become effective thirty days after adoption.

City Council Staff Report

DATE: March 2, 2016

AGENDA ITEM NO: **New Business
Agenda Item 6-E.**

TO: The Honorable Mayor and City Council
FROM: Ron Bow, Director of Public Works/Assistant City Manager
SUBJECT: Sanitary Sewer Closed Circuit Television (CCTV) Inspection and Condition Assessment Services – Award of Contract

RECOMMENDATION:

It is recommended that the City Council consider:

1. Awarding the contract for Sanitary Sewer CCTV Inspection and Condition Assessment Services to the lowest bidder, National Plant Services, Inc. of Long Beach, in the amount of \$101,004.00;
2. Authorizing the Director of Public Works to approve change orders up to \$10,100.40 (up to 10% of construction contract amount) for this project;
3. Authorizing the City Manager, or designee, to execute an agreement with National Plant Services, Inc., in a form approved by the City Attorney; and
4. Taking such additional, related, action that may be desirable.

CEQA:

Taking the recommended action would not result in a potential for resulting in a direct or reasonably indirect physical change in the environment and, accordingly, does not qualify as a "project" under the California Environmental Quality Act (Cal. Pub. Res. Code §§ 21000, *et seq.*; "CEQA") or CEQA regulations (Cal. Code Regs. tit. 14, §§ 15000, *et seq.*; see Cal. Code Regs. tit. 14, §§ 15061(b)(3), 15378). Even if the award of contract were to qualify as a project, it would be categorically exempt as a Class 1 or Class 5 project since, at best, it would constitute a minor alteration of existing public structures involving no expansion of use; or a minor alteration in land use limitations (see Cal. Code Regs. tit. 14, §§ 15301, 15305).

EXECUTIVE SUMMARY:

At the January 6, 2016 City Council meeting, the Council adopted a resolution authorizing staff to advertise for Sanitary Sewer Close Circuit Television Inspection and Condition Assessment Services. City staff advertised the project and two firms submitted bids. Staff is recommending award of contract to National Plant Services, Inc.

BACKGROUND:

The City of Monterey Park operates a Sanitary Sewer Collection System comprised of approximately 126 miles of pipeline and over 2,200 manholes. The City does not process its own wastewater nor does it have a wastewater treatment plant. Similar to other surrounding communities, the City wastewater system is treated by the Los Angeles County Sanitation Department.

The City maintains its sanitary sewer pipeline system and as part of the regular maintenance of the system, it is necessary to CCTV the system. The CCTV video is viewed to determine the condition of each pipeline section. Among the issues that CCTV video discovers is grease, roots, sag, cracks, offset joints, and missing pipe. Without CCTV to discover these issues, the City increases the risk of sewer system overflows and the possibility of fines imposed by the State Water Resources Control Board for each overflow. Staff has developed a list of over 22 miles of pipeline sections to be part of the FY 2015-16 Sanitary Sewer CCTV Program.

The Scope of Work for the project includes the following:

- CCTV inspection and conduct pipeline assessment per PACP standard for approximately 132,900 linear feet of pipeline.
- Provide Traffic Control as needed per MUTCD requirements.
- Submit video and assessments in digital format to the City.

On January 6, 2016, the City Council authorized staff to advertise for Sanitary Sewer CCTV Inspection and Condition Assessment Services for bids. The RFP was emailed to 18 local firms and advertised on a contractor website. The period to submit proposals was from January 7, 2016 to February 11, 2016. Staff received two proposals:

| | |
|---|--------------|
| National Plant Services, Inc., Long Beach, CA | \$101,004.00 |
| Hoffman Southwest Corp., Walnut, CA | \$111,649.00 |

National Plant Services, Inc. was the lowest, responsible bidder. As such, staff recommends awarding a contract in the amount of \$101,004.00 to National Plant Services, Inc. to provide Sanitary Sewer CCTV Inspection and Condition Assessment Services.

FISCAL IMPACT:

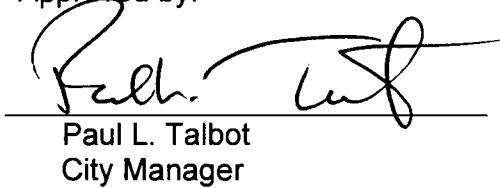

The project is included in the approved FY 2015/16 annual budget as part of the Capital Improvement Street Construction Section. There is a total of \$115,000 available for this project in the Sewer Videotaping Account (0042-5001-91941) and Construction Projects/Carryover for Sewer Fund Videotaping Account (0042-5003-91919). Adding a 10% contingency for any unforeseen changes, the estimated total project amount is \$111,104.40.
